Sirius CEO Mel Karmazin touted the groups' support.

"The support for our merger is as diverse as the programming we provide," Karmazin said. "The thousands of pro-merger comments from organizations representing diverse populations and interests, individuals, businesses and experts plainly demonstrate that the combination of Sirius and XM is in the public interest." THAT DIVERSE Competition—Will end When ONLY ONE MA, Mr Karmazin Decides What Is Best—For The 300 Or So Choices SATRAD Would Bring, Including ONE SLANT On The News Programming—SATRAD Would Carry.

TWO Are A TRUE Market—Not One Owner With 300 Choices—HE Decides Are Best For This NATIONAL Market Provider.
